

Bank Draft Authorization Form

I hereby request that, as a convenience to me, you honor the drafts each month in the amount of the current utility bills, drawn on my account by the City of Duncanville, Texas and I agree that the city's rights with respect to each such draft shall be the same as if it were a check drawn to the city's account and signed personally by me. I also agree that the city shall be held harmless by me and I waive any and all causes of action against the city in honoring any such draft until it receives written notice of revocation by me. I further agree to indemnify and hold the city harmless from any damages arising from any discrepancy between the amount ordered to be withdrawn by the city and the actual amount due and owing on my utility bill.

I further agree that if any such draft is dishonored, with or without cause and whether intentionally or inadvertently, the city and any or all of its employees shall be under no liability whatsoever and I hereby waive any cause of action against the city arising from any such dishonorment.
