Terminology/Description of Summary Information

Revenues - Amount of revenue is reported in three categories: government-wide, property taxes, and sales taxes

Expenditures - Amount of expenditures are reported in one category: government-wide

Government-wide - Revenues and expenditure totals reported include all of the City's governmental and business-type activities, and component unit. The information can also be found in the Statement of Activities in the FY20 Comprehensive Annual Financial Report.

Property Taxes - The total amount of property taxes reported in the Schedule of Activities in the FY20 Comprehensive Annual Financial Report

Sales Taxes - The amount of sales taxes reported in the Schedule of Activities in the FY20 Comprehensive Annual Financial Report

Per Capita - The information reported under this column takes the total amount for each category divided by the population in order to calculate the amount per capita. The population total used in calculating the per capita amount is 40,739 and is provided from ESRI estimates.

FTE Positions - Number of full time equivalent employees for the most recently completed, audited fiscal year.

Fiscal Year - The City's fiscal year is from October 1st to September 30th.
